 P01KA

 450 g

 24 mos

Types:

- Bows
- Butterflies
- Corrugated horns
- Fluted feathers

Our pasta is made of 100% Durum Semolina. Top «A» grade pasta widely used for making main dishes, as well as for preparing various side dishes. Kids love it for the good taste and wonderful design.

«Pastoral» pasta

 P02BH

 500 / 900 g

 24 mos

This pasta is made of 100% Durum Semolina. Top «A» grade pasta for preparing genuine Italian dishes with a variety of sauces, meats and vegetables.

Canola oil

 IS03KA

 1 / 3 / 5 l

 12 mos

Canola oil can be heated to very high temperatures, and it has a neutral taste, this makes it a favorite cooking and frying oil to many. Canola oil is widely considered to be a healthy oil with low content of saturated fat and high content of monounsaturated fat.

Sunflower oil

 IS04KA

 1 / 3 / 5 l

 14 mos

Sunflower oil is high in vitamin E: one tablespoon contains 28% of a person's daily recommended intake of the nutrient. With a smoke point of 450°F and a slightly nutty flavor, it can be used for sautéing, stir frying, deep frying and baking.

FOUR  LILIES. **WHOLE MILK POWDER**

PD01LI

25 kg

24 mos

Great to use in confections, baked goods, as a nutrient supplement, as an ingredient in dry blends, or reconstituted for use as liquid milk.

Cooking method: combine 8-9 table spoons of the product with 1 liter of drinking water to make 1 liter of Whole milk. Bring to a boil with a continuous stirring.

FOUR  LILIES.

WHEAT FLOUR

Flour «Classic»

 BP06LI

 1 / 2 / 5 / 25 / 50 kg

 12 mos

Wheat flour «Classic» (premium grade) is in high demand among confectioners and bread producers. The leveled granulometric composition is considered especially valuable in it. Both professional bakers and ordinary housewives always produce baked goods made from «Classical» flour, lush, fragrant and porous.

Oat flakes in boxes

 FF01LI

 500 g

 12 mos

A bowl of oatmeal is a good source of energy without a dramatic increase or drop in blood sugar. All types of oatmeal are healthy and have similar nutrition profiles. However, rolled oatmeal are easier to cook.

Made with grains of the highest quality, our product is a non-GMO, non-Cholesterol, high Iron food source.

Cooks in just 5 minutes.

Oat flakes in bags

 FF02LI

 20 kg

 24 mos

The same high quality as our boxed Four Lilies Rolled Oat Flakes, this rich and creamy oatmeal is presented in bags of 20 or 25 kilos, allowing for a lower total cost per kilogram.

Sweetened condensed milk

 BP12G 380 g 24 mos

Our sweetened condensed milk has the authentic flavor that has been a key part of recipes passed from generation to generation. It contains only milk and sugar, nothing complicated or unnecessary, so you can make wholesome dishes the right way. You can be sure your favorite desserts and drinks will be special when you prepare them with the authentic flavor of this product.

FOUR  LILIES.

FOUR  LILIES.

BEER

LIDSKAE Premium

B01LID

0,9 l 0,4 l 0,45 l

12 mos

Light beer

Original worth strength: 11,8%

Alcohol: 5,1%

Lidskæ Premium is a unique beer created in cooperation with Scandinavian brewers. The lightness, exquisite color, impeccable bouquet of scents and lush foam are the results of the efforts of Lidskoe Pivo brewery and concern OLVI's brewers. More prolonged period of fermentation and special kind of barn make this lager more balanced in taste and bring it a soft aftertaste.

LIDSKAE Porter

B02LID

0,9 l 0,4 l

12 mos

Dark beer

Original worth strength: 16%

Alcohol: 6,6%

Lidskæ Porter is made in the same style as it was made in London, England, in the early 18th century. It is well-hopped and dark in appearance owing to the use of brown malt. The name originated from its popularity with street and river porters. Old English Tradition and today's technology brings you this excellent beer.

KORONET Lager

B13LID

 1,136 l
  0,568 l
  0,568 l

 12 mos

Dark beer

Original worth strength: 11%

Alcohol: 4,6%

KORONET Lager is a light beer, brewed in the British style, it has a pleasant taste and a slightly bitter note; it is made from the best ingredients and with the most modern brewing technologies. KORONET Lager is bottled in a special bottle with traditional English measure – an imperial pint with a volume of 0,568 liters.

KORONET Porter

 B14LID

 0,568 l

 12 mos

Dark beer

Original worth strength: 11%

Alcohol: 5,2%

The taste of classic British porter is perfectly highlighted by almond extract, giving the product a specific aftertaste. The strength of the beer, which is 5,2%, is typical for a British porter.

IPA

 B19LID

 0,5 l

 12 mos

Original worth strength: 12%
Alcohol: 5,2%

India pale ale is a hoppy beer style within the broader category of pale ale and crystal malts which give the beer its dark color and malty taste.

LIDSKAE Pilsner

B05LID

  1/1,5/2 l  0,5 l  30/50/0,45 l

 12 mos

Light beer
Original worth strength: 11%
Alcohol: 4,2%

Lidskae Pilsner is actually a type of pale lager that is a refreshing, palate-cleansing, thirst-quenching beer. Pilsners are usually lighter in color, ranging from light straw to golden. You'll find that the Saaz hops used to create this beer have a light "kick" to them, and give the beer a hoppier taste than the typical beer sold at supermarkets.
